IC DESIGN

Experience

Digital designer @ IC Design (www.icdesign.gr)
09.2016 – Present
Freelancing.

Web designer @ Netstudio (www.netstudio.gr)
09.2014 – 09.2016
Apart from design, I was given the opportunity to coordinate a team of 3 developers, manage their projects and handle all the communication with customers.

Art director @ Steficon – Digital agency (www.steficon.gr)
09.2009 – 08.2014
In my 5 years in Steficon, I went through several stages. From simple websites design to creating concept for campaigns and commercials.

Web designer / Developer @ Pro Softwhere
11.2007 – 08.2009
I was responsible to deliver projects from design to development (static HTML).

Designer @ OptiMedia Interactive Systems (www.optimedia.gr)
06.2005 – 10.2007
Web design, CD ROM interface design.

Jr. Designer @ MOZAIK Design Agency (www.mozaik.com)
07.2003 – 06.2005
In mozaik I started as a graphic designer, mainly occupied with print design. Along the way I found the beauty of designing websites.

Graphic designer @ Newspaper "Piraeus Independent"
01.2003 – 06.2003
Newspaper layout design.
